COURSE INFORMATION

General Information:

The Slot Academy training course lasts twelve days, divided into two six day periods. The two training weeks are usually one month apart.

The training course takes place on a location where business and pleasure are combined; the last courses mainly took place on the sunny Island of Rhodes in Greece and so will the next course in September and October of 2006.

The main focus of the training program is on the PROCES of operating slot machines in Casinos and Arcades. Following the logic of the SLOT MANAGEMENT PROCESS, these subjects – amongst others- are covered during the program:

- How to perform a Feasibility Study
- Total Quality Management; the principles
 - Write a Mission Statement
 - How to write Procedures and Instructions
- Definition of the Slot Management Process
 - Critical Activities Prior to opening a Slot Operation (How to prepare for a Slot Room or Arcade)
 - Critical Activities During the Gaming Date (How to operate and market Slot Machines)
 - Critical Activities After the Gaming Date (How to reconcile and control the daily slot result)
- For all of the Critical Activities of the Slot Management Process attendees have to find INPUT and OUTPUT documents, proving that the activities are executed EFFICIENT, EFFECTIVE, FLEXIBLE and with the right CAPACITY.

During the course the attendees plan a hypothetical Casino / Arcade, executing at least the following tasks:

- Design the layout of the Gaming Floor with an efficient mix of machines types and slot machine related equipment
- Define the Budget for the Operation
- Define the Progressive and Mystery Jackpot Strategy, including calculations for Mystery and Progressive Jackpots
- Develop a Training Program for Slot Staff
- Prepare a Slot Promotion
- Read meters from class room machines and perform all reconciliations and design all reconciliation reports
- Performance analysis of slot result

Attendee Profile:

The Training Program is intended for persons with a Managerial Position in Casinos or in Companies supplying the Casino Industry.

Attendees need to have basic knowledge about technical aspects of operating Slot Machines.

The course takes place in the English language.

Check our website for a list of people who attended in the past at www.theslotacademy.com.

Next training dates:

The next Training of The Slot Academy will take place:

***Sunday September 24 to Saturday September 30
AND***

Sunday October 22 to Saturday October 28, 2006

Attendees typically travel to the location the Saturday prior to the first training day and depart the Sunday after the last training day of each week. The course 'costs' attendees two full weeks.

Training Location:

The next course of The Slot Academy will take place in:

Rodos Park Hotel

12, Riga Fereou Street.
